*It's new school year. You bought a new phone book. Ask your classmates for their phone numbers. Fill up your phone book. Don't forget to get the correct number! If you have a problem getting the correct number, use the techniques you learned: partially repeat what you heard, confirm with **ですね**, and ask again **もういちどおねがいします**.*

After you finish asking your classmates, go around the class reading aloud one phone number at a time...

If you already have that particular student's phone number, make sure it is correct. If you do not have it, then write it down.
